

June 13, 2017 Grant Committee Minutes

The meeting was called to order at 2:08 p.m. with Chris French, Darla Rippee, Wanda Freeman, Heidi Pitt and Doris French present.

A motion to approve the agenda was made by Doris and seconded by Darla. Motion passed.

A motion to accept the minutes was made by Wanda and seconded by Chris. Motion passed.

The August meeting will be moved to August 1 because of scheduling conflicts.

Fire Department – Doris and Chris checked with GIS and discovered that the land west of the ball diamonds is wetland. According to GIS most of the remaining property is wetland. We decided we will wait for the Board to inform us that land has been acquired and then address the issue of raising the money to build.

At the board meeting Doris was given the application for the TOWN grant for this year. We discussed the suggestion of markers and roof at the cemetery and trails at the park. Heidi will get an estimate of the cost, including clearing and packing, for a 3-4 ft. wide trail for inside the fence.

Heidi reported that the road commission contacted MDOT about the sign for the corner of M-20 and Nine Mile Roads with directions to the hall, park and cemetery. She also suggested putting information about the park hours, etc. on a facebook page. She said she can keep it updated.

Doris talked to mosquito control. They are having a tire drive in the fall at the landfill. Heidi suggested we use some of the tires to build a dragon or other creature at the park. With some paint, they could be a fun, safe place on which the children could climb.

Wanda talked to Tom about the diamond dust. He said it is ok as is and doesn't have to be mixed with anything.

A motion to adjourn was made by Wanda and seconded by Chris. The meeting adjourned at 3:10 p.m.

The next meeting will be on July 11, 2017 at 2 p.m.

Respectfully submitted,

Doris French  
Secretary
