The WMFC made 18 blocks for the park. We discussed where to put them and surround them with mulch.

Scrap tire drive will be either 10/5 or 10/12 at the compactor site. Discussed if we can get them to Cass City to be made into doormats or send them to Coleman for drain fields. Cass City only has room for 100 tires at a time so may not use them. Doris will send a letter to Gleaners asking for donation to pay for transport of tires. Wanda will call Coleman for cost of truck and driver to haul them. She will also check with mosquito control to see if they have any money they can donate towards the drive.

Air bottles-Phar Plan next cycle starts 10/1. Darla will call Larry Clever about the letter we received asking about the estimated cost of the bottles. Darla and Doris will meet Thursday about the reply letter.

Hall-We found out Jerome hall used loans and Greendale used grants and loans for their hall. Our estimate is \$500,000 which would not include the washer, dryer or showers, etc. Linda received some grant places from James Stamas. We discussed getting a library grant. The Supervisor said we are ok to send for federal grants now. We discussed stimulus funds, and those covering renovation and emergency shelters.

Next meeting will be September 24, 2013

A motion to adjourn was made by Tom and seconded by Linda. Motion passed.

Meeting adjourned at 8:20 p.m.

Respectfully submitted,
