We called Laura Dawson to find out if everything had been planted. She said she had some plants and trees that were not planted yet. When asked if they would be good until spring she said they would die if not planted. We discussed a place where they might be planted and decided the best place would be along the ditch or at the park. Laura said she would ask the board if they could be planted rather than lose them over the winter. We also discussed the grill and access to used black edging. Dan French has access to the edging and can get it for us.

After the call we continued with the rest of the meeting.

The fire barn grant writing is on hold till we get a location.

We discussed the fitness equipment as a possibility for the park. It needs board approval. Also discussed was the library box. We will revisit this item next year.

A motion to adjourn was made by Doris and seconded by Darla. Motion passed and the meeting adjourned at 2:55 p.m.

The next meeting will be November 15, 2016.

Respectfully submitted,

Doris French
Secretary
