

Lee Township Grant Committee
Minutes of the September 12, 2019 Meeting
Held at the Lee Township Hall
Midland MI

The meeting was called to order at 7:10 pm.

Present: Kristy Gustafson, Chris French, Darla Rippee, Wanda Freeman and Doris French

A motion to approve the agenda with the addition of Narcan and AED was made by Chris and seconded by Darla. Motion passed.

A motion to accept the minutes of the August meeting with a space added between 11 and minutes was made by Wanda and seconded by Kristy. Motion passed.

Announcement: Direct deposit starts in October. If you haven't already done it, get the necessary information to the Clerk.

Five-year Plan: Kristy said she wanted to meet with Chris Cantrell to get GIS maps of the township showing the recreation areas. She started compiling the information already submitted. She read the introduction and other portions that Chris and Doris submitted. It was suggested we use a chart instead of just words for the population statistics. Darla read the inventory part that she and Wanda compiled. Kristy will incorporate that information into the document.

Some comments about the plan included:

1. A future boat launch at Manitoa Park.
2. Contacting the commissioner for information on the possibility of a camping area at the former Girl Scout site.
3. Connecting trails between the park and the cemetery. Doris will contact Floyd School for information on their trail.
4. Wetland areas to avoid – Chris will contact the supervisor to see if he still has the information from DEQ.

Tire Drive: there is a scrap tire grant available through FEMA, through the Law Enforcement Grant Program and the Market Development Program. Deadline is November 1. We decided to work on plan instead of other grants at this time.

Public Comments: None

A motion to adjourn was made by Kristy and seconded by Chris. Motion passed and the meeting adjourned at 8:35 pm.

The next meeting will be October 10, 2019.

Respectfully submitted,

Doris French
Grant Committee Secretary
