

Lee Township Grant Committee
Minutes of the October 10, 2019 Meeting
Held at the Lee Township Hall, Midland MI

The meeting was called to order at 7:05 pm.

Present: Kristy Gustafson, Chris French, Darla Rippee, Wanda Freeman and Doris French

A motion to approve the agenda was made by Wanda and seconded by Doris. Motion passed.

A motion to accept the Sept. 12 meeting minutes was made by Chris and seconded by Kristy. Motion passed.

Announcements: The Fire Chief already applied for the Hemlock Semiconductor grant for Fire Department personnel training.

Five year plan: Kristy reported she wasn't able to contact Chris Cantrell. We can use the current pictures from GPS and update them in 2020 when the new ones are ready.

Darla and Wanda checked into using the old Girl Scout property as a campground. This would be in collaboration with the County who now owns the property. Darla will attend the meeting and report back to us. It could be similar to Black Creek Campground with a few rustic camp sites. If it is approved, we could try it for a year to see how it goes

Other Grant Ideas:

We discussed having Narcan available at the hall. We decided not to pursue this because of safety issues.

ADA Doors: We discussed the different types of doors. The consensus is the push button doors would be best for the hall. The Supervisor said we have to go through a contractor. He is getting estimates of the cost.

AED: No decision was reached.

Public Comments: None

The next meeting will be November 14, 2019. Wanda said she may not be at that meeting.

A motion to adjourn was made by Kristy and seconded by Chris. Motion passed and the meeting adjourned at 8:30 pm.

Respectfully submitted,

Doris French
Grant Committee Secretary
